SUBJECT: Freight Elevator Referrals

Dear Mr. Decker,

In accordance with your request today, we are please to provide you with a customer referral listing.

PARK ELEVATOR has provided the customers on the attached list with high quality equipment and genuine customer service throughout the years. We have provided these customers with new freight elevators, both traction and hydraulic, TV tower traction elevators, modernization of existing freight elevators, major and minor repair work on freight elevators, and preventative maintenance service.

PARK ELEVATOR takes pride in its historic roots in the Carolinas and in its tradition of providing each and every client a quality job, at a reasonable price, with excellent workmanship. But don't take our word for it, call our customers and find out for yourself ! We are sure you will be please with the depth of positive comments you will receive.

We sincerely appreciate the opportunity to provide you this information and we look forward to working with you this project in the future.
